

\$10.00 per year - per person!

PHS Athletic Booster Club is an organization that supports the efforts of the Athletic department, teams, coaches, athletes and intramural sport events and includes other activities that touch all our students lives: Donation toward Senior Post Prom Event, intramurals and fitness equipment. Funds last year went toward lights for the field, refurbishment of the softball field, swim team, lacrosse, track and soccer. PHS Athletic Boosters also sponsors the Senior Sports Award Banquet and Varsity Letters and the "Crudup-Picard Athletic Boosters Award" (Male & Female) of \$1000.00.

Membership: Why become a member? Membership is vital to the success of the Booster Club. **With school budget cuts, your membership is more important than ever before! PHS Athletic Boosters contributed in excess of \$22,000.00 to support our students and athletes for the 2008/2009 school year.**

Booster Shack: We recognize that all families are busy and finding time to volunteer may seem impossible. With the addition of the **booster shack in the new gym as well as the outdoor shack more volunteers are needed.** If your student is either playing a sport or attending a sporting event why not put in some time at the Shack & not only enjoy the game but also meet other parents, our athletes & your student's friends. Whether you volunteer once a week, month or year, sign up!

FYI: PHS Athletic Boosters raises over 50% of its proceeds through the sales from the shack. By volunteering in the shacks during the fall or winter sport seasons, you can help meet or exceed expectations. We need your help to be successful! Become a Volunteer☺

Become involved today and join the PHS Athletic Booster Club team!

A Special Thanks to Clements' Market for their continued support!
